Bonn,

Ahead of the UN climate summit that aims to keep the global average rise in temperatures below two degrees Celsius, a group of 47 poorest nations has sought money to achieve their climate plans and protect people from the devastating impact of climate change.

"As the 47 poorest countries in the world, the LDCs face the unique and unprecedented challenge of lifting our people out of poverty and achieving sustainable development without relying on fossil fuels," an official statement quoting the Lead

This change is in recognition of the increasing suite of unique services Samsung has developed for the Galaxy devices," the company added.

"Samsung Experience" version 8.5 was released with Galaxy Note 8.

"Samsung Experience" 9.0 is based on the latest version of the OS built on the Android Oreo UI and UX and will feature on the next flagship Galaxy device.

The new update reportedly brings a number of new functionalities to both Galaxy S8 and S8+.
